

Privacy and Accessibility Policy

Privacy

The information contained in the survey questions on this website are provided for referential purposes only, and should not be construed as legal opinions or advice. Neither Elexicon Energy Inc. or its affiliates (collectively referred to as “Elexicon Energy”), nor Brickworks Communications Inc. (“Brickworks”) make any representation or warranty of any kind regarding the accuracy, timeliness, completeness, fitness for any particular purpose, or usefulness of the information included on this website. Neither Elexicon Energy nor Brickworks assume any responsibility or liability to you or any third party in relation to any of the information contained on this website.

Cookies Notice

This website uses cookies to track and store basic information. Cookies are designed to give you optimal usage of the web. Cookies enable you to improve your user experience when using a website by remembering your browsing history and preference for accessibility options or viewing format, among other uses. Cookies also help us monitor traffic patterns that we use to make improvements to our website. You may set and instruct your web browser to notify you when you receive a cookie, or to not accept certain cookies or refuse all cookies. However, if you decide not to accept cookies from this site, you may not be able to take advantage of all of the site’s features.

Accessibility

Elexicon Energy and Brickworks are committed to achieving a high accessibility standard, as defined by AODA (the Accessibility for Ontarians with Disabilities Act) and web accessibility best practices. This survey website is designed to be viewed and completed on any desktop computer, laptop, or wi-fi connected mobile device.

In the event of difficulty using the website, to obtain alternative survey formats, or if you have any questions or requests, please contact our partner agency Brickworks Communications at: cmillar@brickworks.co.

Elexicon Energy and Brickworks will take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy. No transfer of your personal or usage data will take place to an organization unless there are adequate controls in place, including the security of your data and other personal information.
